Description

I have had this car a few years now and I am the third owner. It runs like a dream, fiberglass body so no rust, get looks and waves everywhere you go. This kit is build on a 1989 Ford Mustang drive train and a custom frame. Tires are in good shape, I put new interior inside, I have a new dash panel with new dials that can be installed , all the chrome is also in mint condition. I also got a \$200 Honda S2000 car cover that fits this car like a glove that I will include with the sale. Any questions feel free to email me, I will usually respond within 24 hours. I can deliver up to 100 miles from my home. Otherwise it's up to you.
