In San Diego area and up for NO RESERVE auction is a nice 1984 Alfa Romero Spider convertible with a fun 5 speed transmission. This is a non-smoker car.

[If you are new to Ebay with 2 or less positive feedback, please email me with your phone number before you bid.](#)

Engine is strong and good. Easy to start and runs great. Handles well.

Transmission shifts nicely, clutch works fine also.

It's a good original car.

It has NO RUST at all the usual places. There's some brown spots under the trunk lid, not sure if it's rust or glue or both.

Please look at the photos closely as they do a better job in describing the cosmetics than I could.

Body has no visible rust. Paint looks original. Has a dents at the nose andat the left door. Rest of the body is very good with maybe mminal dings and scratches.

Interior is fairly nice. Upholstery is fair with minor aging. There're many cracks in the vinyl in the driver's seat but not tear or rip. Other than that, interior is very nice. Side panels, etc. are very nice. Dash has cracks.

Convertible top fabric is in good condition but rear plastic clear window has some cracks.

Tires are good, wheels are nice. Brakes stop well.

Has a clean and clear CA title for the auction winner.

Will do smog certification for CA buyer at additional \$50. If it doesn't pass, the sale is voided.

Smog inspection is not needed for out of state buyer.

SOLD AS IS WITH NO WARRANTY!

[Auction winner please email me your phone number within 24 hours of end of auction.](#)

A: Below is part of the autocheck report. It doesn't have title transferring record at DMV since 1997. No idea about before that, sorry. It could be one owner. It's good it has no negative history. If you like the full... [Continue reading](#)
