Vehicle Overview

1964 Corvette Convertible. Ermine White (936AA) exterior with a Red (490AB) interior and a Black soft top. Older frame off restoration still in good condition. Nice paint, good lines, and nice chrome. Under the hood is a Numbers matching 327ci/365hp engine with a 4-speed manual transmission. Engine runs great with no problems, and the transmission shifts as it should. You could get in this car and drive it anywhere!!! The red interior is in great condition with all restored gauges, nice carpet, door panels, etc... All the gauges work with no problems, even the clock. Wipers work and the headlights roll up and down with no problems. This would be a great car for someone wanting a 64 Convertible they can get in turn the key and drive away in. We can assist the buyer with fast and cost effective shipping. We encourage all possible buyers to come and look at the car. This car is being sold AS-IS.
