This is an excellent driver quality vehicle. Originally a 327/365 HP car. Now has a new GM 350 crate motor with all the receipts. Vehicle came out off Florida in 2008. Tires are brand new radial tires. Front suspension bushings, rear spring, etc. has been updated. Radio is correct AM/FM. Clock has been converted to a

quartz movement. The air conditioning was a Vintage Air unit installed in 2000 in Florida. If you look at other mid-year corvettes, this is an excellent deal for the price.

Vehicle is being sold in "As Is Condition" with no warranty(s). The Trim Tag information states the following: Build date D26(December 26,1963): Paint code: 912AA (Silver Blue); Interior code: 490BA. Transmission # P1210 and is a Muncie 4 speed. The Shifter, I have been told, it is a Hurst upgrade from the factory original. Vehicle and title will not be given to winning bidder until money has cleared my bank. Please note that \$1000 deposit is due after close of bidding. Balance within 5 business days. All shipping of vehicle is responsibility of winning bidder. Prior transport quotes to Tampa area,Florida were \$550 (open transport) and \$995 (enclosed transport). Professional Moving Systems (972) 853-7166 ask for Jim. Please ask any questions before bidding and I'll try to respond as soon as I can. Thank you and Good luck bidding, Ellery
