**HISTORY:**

This classic beauty has a very short and simple life. 100% original, unmolested, and unmodified in any way.

The car was purchased new in 86 by country singer songwriter legend Mac Davis.

In 91 my father purchased it from Mr. Davis in pristine showroom condition. At that time the car had 8k on it. Mr. Davis had the car garaged since new. My parents have owned it since as a third car and it still has not seen the light of day. It has been garaged it's entire life. The car is used two to three times a month to keep in in the pristine condition that it is in. Always dealer maintained, with all records. The car has just an amazing 49,600k on it. That is 10k less then the Calif. average, and just 2k/year !

**MECHANICAL:**

This car runs and drive like new. It just passed smog with flying colors, it starts, runs and drives as it should and has never let them down. Everything works as it should, with no leaks and sounds or rattles in any way. TONS of power from the Big block 5.6 litre engine.

Transmission, brakes, ps, pb, pw, gauges, etc... all in perfect working order.

The car is very fast and smooth.

The AC will need re-charging and looking into, it has not been used in many years and no longer blows cold.

**BODY:**

NO acidents, NO rust, NO damage, near flawless for a 24 year old car. Paint has no fade, cracking, checking in any way. All seals are tight with no leaks. Again, the car has never been left in the sun. Clean title, vin # available is posted if you'd like to run a CARFAX on it.

**INTERIOR:**

Again, near flawless, non smoker, no pets, no sun damage, etc.....

**TOPS:**

Hard top is flawless and was only removed one time in 91 for a week. My father's wife decided she like the look and feel of the hard top better and I put it back on for her. In 91 when I removed the hard top, the factory Mercedes plastic wrap was still on the soft top. Mr. Davis had never used it. The Soft top is mint and flawless.

The car is being sold "as-is"

Serious inquires only

No tire kickers, not interested in trade or barter of any sort

All questions and inquires can be answered via Phone or e-mail

The car is located in Irvine, Ca
