For sale we have a 1989 Jeep YJ totally rebuilt and restored. Installed is a chevy 350 engine with a Turbo 350 Transmission. Conversion done professionally with an Advanced adapters kit to mate Turbo 350 with the YJ's NP231 transfer case. Transfer case has a slip yoke eliminator with custom driveshafts. Undercarriage and interior of the tub was sandblasted and linexed, this tub will never rust! Body was prepped and repainted in Signal Red while off of the frame. Interior has original seats with Neoprene seat covers in the front only, grey cloth rear seat. All guages are new Autometer with custom dash bezels. B&M Slapstick Shifter with a Novak Industries shifter for the transfer case. Original Vaccum wheel lock replaced with a cable activated switch fixed to dash. 33" Tires with a 4" suspension lift and a 2" body lift. New Shocks and brakes all around. The engine is a Chevy 350 with a Holley Aluminum intake and an Edelbrock Performer 600 CFM carb. Chrome valve covers, Chrome air filter, Chrome water pump and alternator. Rebuilt transmission with a mild shift kit. Lokar throttle and kick down cables. New battery and all cables and wiring. Comes with CJ Hard Top which is great but needs a new liftgate frame. Also comes with a set of Half doors painted to match, sorry no soft top, but I have the windows for the half doors, drivers side zipper needs repair.

This item is for sale locally in another publication, This auction will be cancelled if sold locally

Still left to do;

1-Speedo needs to be calibrated, I think there is a problem with the transfer case sender

2-Fuel guage is new, but I think the sender is the wrong Ohms for the guage

3-Track bars need to be installed...I dont have them

4- Locks need to be installed in half doors and full doors. I dont have them and you probably would want to get a keyed alike set

5-Hard doors have no interior panels

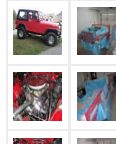

Other than that this Jeep is ready to go. I drove it around for most of the summer last year and it sure is fun to drive with the top off.

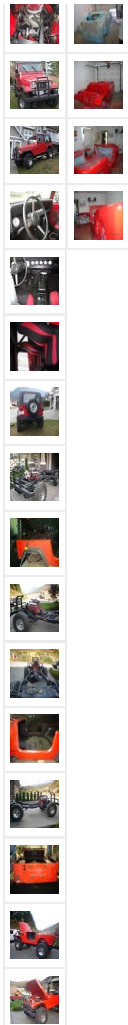

Vehicle is in British Columbia Canada, 1 hour from Vancouver

Shipping is the responsibility of the buyer, but I will help if needed

\$1000.00 deposit required 48 hours after auction close

There is no warranty on this vehicle
